

JUST TRANSITION DECLARATION

Just
Transition
Declaration

The 10 principles, not in order of importance, are:

- 1. Centring the expertise of disadvantaged communities at every step of the journey,**
- 2. Good future-proof jobs for everyone,**
- 3. Empowering disadvantaged communities to take climate and ecological action,**
- 4. Supporting individual change through system change,**
- 5. Fair distribution of costs and benefits,**
- 6. Prioritising accessible communication,**
- 7. Standing in solidarity with those experiencing the worst climate and ecological impacts across the globe,**
- 8. Building inclusive resilience,**
- 9. Infrastructure for all,**
- 10. Embedding the process internally and at the beginning.**
