

# Community Energy

## AWARDS 2022

---

10 NOVEMBER 2022, LONDON

*Celebrating the power of community energy*

### **SPONSORSHIP PROPOSAL**

This document summarises the sponsorship opportunities available for the Community Energy Awards 2022, taking place on 10 November in London.

# Annual Community Energy Awards

The Community Energy Awards celebrates excellence in the sector, rewarding outstanding, innovative and creative community energy projects in England.

This year's Awards will be the first awards since 2019. We will be hosting the awards ceremony in London and it will be a chance for our network of community energy organisations to come together to feel inspired and celebrate each other's success.

This year's award categories and nomination process will be launched in July and we would be delighted to have your support for this celebratory event.

## Why should you sponsor the awards?

Your organisation and logo will be associated with one of the highest profile community energy events of the year, reaching both the 100+ event attendees and hundreds of people who read about the event and the winners.

You will be able to demonstrate your prominence as a key partner to community energy organisations.

The awards give our sponsors a long term platform too, as we turn the profiles of our winners into case studies.

# Sponsorship packages

## Principal sponsor - £12,000+VAT

- Exclusive 10 minute speaking slot at the awards ceremony
- Presentation of the chosen award category.
- Display stand on the stage
- Half page advert in the awards programme and promoted as sponsor for your chosen category award.
- Company logo on the presentation screen
- 150 word profile with logo, links and contact details on the dedicated awards web page.
- Promotion of your sponsorship and community energy services/products on social media (x 2 posts)
- Advert space or banner in our dedicated awards newsletter (distributed to over 2,000 stakeholders and Community Energy England members)
- Editorial/blog opportunity on the CEE website.
- Featured in the winner's case study

## Drinks Reception sponsor - £6,000+VAT

- Exclusive 5 minute speaking slot at the drinks reception
- Display stands in the drinks reception area
- Half page advert in the awards programme.
- 150 word profile with logo, links and contact details on the dedicated awards web page.
- Editorial/blog opportunity on the CEE website
- Your logo (and link) in our dedicated awards newsletter (distributed to over 2,000 stakeholders and Community Energy England members)

# Sponsorship packages
