

Community Energy Awards 2023 - Nomination Guidance

Thank you in advance for your nomination for the **Community Energy Champion** award.

To complete the nomination process, please review the following guidance and fill out the Google form [here](#). We recommend drafting your nomination in a word document and then copying it into the Google form when ready to submit.

Please ensure that your nomination form is completed by **Friday 1 September 2023**.

The judges will review the submitted information to determine the award winner. The winners will be announced during the ceremony in Manchester on Friday 17 November. We encourage you to attend the ceremony and reserve your free place [here](#).

The Community Energy Champion of the Year Award recognises one exceptional individual, in England, who has made an outstanding contribution to the advancement of the community energy sector in 2022/ 2023.

In order to nominate your organisation for this award, please prepare answers and clearly demonstrate as many of the following as possible:

1. Their significant contribution to and tangible impact on the community energy sector in 2022/2023.
2. How they have been a source of inspiration and motivation for individuals, their organisation and/or their community.
3. Evidence of sharing learning or expertise with other people and organisations across the sector.
4. Sharing learning and expertise.

Additional Information

Please note that while additional information is optional, we strongly encourage you to provide up to three quotes from beneficiaries or stakeholders that could be used in a case study to support your nomination. Additionally, you are welcome to submit up to three pictures that further support this nomination.
