

Community Energy Awards 2023 - Nomination Guidance

Thank you in advance for your nomination for the **Community Energy Organisation of the Year (Large Size)** award.

To complete the nomination process, please review the following guidance and fill out the Google form [here](#). We recommend drafting your nomination in a word document and then copying it into the Google form when ready to submit. Please ensure that your nomination form is completed by **Friday 1 September 2023**.

The judges will review the submitted information to determine the award winner. The winners will be announced during the ceremony in Manchester on Friday 17 November. We encourage you to attend the ceremony and reserve your free place [here](#).

This award recognises one community energy organisation that has demonstrated excellence across their operations, delivery, impact, engagement, innovation, and contribution to the broader sector.

To be eligible for this award, your organisation must have a turnover above £100,000.

In order to nominate your organisation for this award, please prepare answers and clearly demonstrate as many of the following as possible:

1. Delivering new projects and services to their community.
2. Innovative approaches to projects/services, fundraising, project development, partnerships, community engagement, or other key areas.
3. The significant positive impact the organisation has made on its community.
4. Continuous improvement and organisational development.
5. Evidence of excellence in developing and supporting employees and volunteers.
6. Sharing learning and expertise.

Additional Information

Please note that while additional information is optional, we strongly encourage you to provide up to three quotes from beneficiaries or stakeholders that could be used in a case study to support your nomination. Additionally, you are welcome to submit up to three pictures that further support this nomination.
