

Community Energy Awards 2023 - Nomination Guidance

Thank you in advance for your nomination for the **Progress and Expansion** award.

To complete the nomination process, please review the following guidance and fill out the Google form [here](#). We recommend drafting your nomination in a word document and then copying it into the Google form when ready to submit.

Please ensure that your nomination form is completed by **Friday 1 September 2023**.

The judges will review the submitted information to determine the award winner. The winners will be announced during the ceremony in Manchester on Friday 17 November. We encourage you to attend the ceremony and reserve your free place [here](#).

This award category aims to recognise community energy organisations that have demonstrated remarkable progress in scale, impact, or range of activities over the 2022/2023 period, no matter their starting point.

In order to nominate your organisation for this award, please prepare answers and clearly demonstrate as many of the following as possible:

1. Significant achievements in growing their operations, projects, or services, both strategically and sustainably.
2. The increased reach and scale of their impact within the community.
3. Evidence of overcoming challenges during the scaling process.
4. Sharing learning and expertise.

Additional Information

Please note that while additional information is optional, we strongly encourage you to provide up to three quotes from beneficiaries or stakeholders that could be used in a case study to support your nomination. Additionally, you are welcome to submit up to three pictures that further support this nomination.
