

## Community Energy Awards 2024 - Nomination Guidance

Thank you in advance for your nomination for the **Climate and Environmental Impact** award.

To complete the nomination process, please review the following guidance and fill out the Google form [here](#). We recommend drafting your nomination in a word document and then copying it into the Google form when ready to submit.

Please ensure that your nomination form is completed by **Friday 13 September 2024**.

The judges will review the submitted information to determine the award winner. The winners will be announced during the ceremony in Bristol on 22 November. We encourage you to attend the ceremony and reserve your free place [here](#).

***This award recognises community energy organisations that are able to demonstrate an outstanding commitment to environmental stewardship and sustainability. We seek nominations from organisations that not only bring determination and original ideas to their efforts to address environmental challenges but also inspire and empower others to be or become sustainable through their proactive initiatives and innovative approaches.***

In order to nominate your organisation for this award, please prepare answers and clearly demonstrate as many of the following as possible:

1. The organisation's actions and initiatives to educate the public on environmental and climate issues. Providing examples of educational programmes, workshops, or campaigns that foster awareness and inspire action.
2. Active efforts or programmes to increase local biodiversity or improve the physical environment.

3. Examples of, for instance, effective carbon footprint reduction measures or waste reduction with tangible results or improvements in environmental metrics.
4. Empowering individuals to make sustainable choices.
5. Sharing learning and expertise with other stakeholders.

### **Additional Information**

Please note that while additional information is optional, we strongly encourage you to provide up to three quotes from beneficiaries or stakeholders that could be used in a case study to support your nomination. Additionally, you are welcome to submit up to three pictures that further support this nomination.
