

Community Energy Awards 2024 - Nomination Guidance

Thank you in advance for your nomination for the **Supportive Local Authority** award.

To complete the nomination process, please review the following guidance and fill out the Google form [here](#). We recommend drafting your nomination in a word document and then copying it into the Google form when ready to submit.

Please ensure that your nomination form is completed by **Friday 13 September 2024**.

The judges will review the submitted information to determine the award winner. The winners will be announced during the ceremony in Bristol on 22 November. We encourage you to attend the ceremony and reserve your free place [here](#).

This award recognises a local authority that has demonstrated exceptional support and commitment to the community energy sector. The nominated local authority should showcase outstanding efforts in facilitating and promoting community energy initiatives within their area.

Nominees must be a proud CEE member or actively collaborating with one. Don't miss your chance to be recognised for your outstanding contributions to the community energy sector.

In order to nominate your organisation for this award, please prepare answers and clearly demonstrate as many of the following as possible:

1. Policy and planning support that actively supports and encourages community energy projects.
2. Meaningful engagement with a community energy organisation (must be a member of Community Energy England).
3. Evidence of providing guidance, advice, and practical support.
4. Evidence of providing funding to community energy organisations or projects.
5. Sharing learning and expertise

Additional Information

Please note that while additional information is optional, we strongly encourage you to provide up to three quotes from beneficiaries or stakeholders that could be used in a case study to support your nomination. Additionally, you are welcome to submit up to three pictures that further support this nomination.
